

CallPilot **Alternative Command Interface** Quick Reference Card

Main Menu

Welcome to CallPilot. Most of the features and commands in the CallPilot Alternative Command Interface are similar to your previous messaging system. For your assistance, voice prompts guide you whenever you pause, and Help is always there when you need it.

Some CallPilot features are not available in the Alternative Command Interface. To print faxes, maintain Distribution (Group) Lists, record Internal and Temporary Greetings, or set up Remote Notification (Paging), log in to CallPilot.
